

SPEED MENTORING

OCT. 8 - 12

Venture Academy is hosting a business week October 8 - 12th! We are working on student's professional skills all week long. One of our main events is Speed Mentoring. Students will wear their interview best and take time interviewing professionals in the community. This will be a fun, energetic event that will expose students to as many professionals and their fields as we can.

This is where you come in! We need passionate professionals to participate. **All that is required is for you to be willing to share about your career experience, be comfortable with students asking questions about your profession and be willing to ask students questions about their passions and interests.** We are holding three separate Speed Mentoring events:

Tuesday October 9th 1:30 - 2:30

Wednesday October 10th 1:30 - 3:30

Thursday October 11th 1:30 - 2:30

Are you interested in participating? Reach out to Margaret Holland at Venture Academy.
